### Overview & History:

Founded in 2011, HaystackID is a specialised eDiscovery services firm that helps corporations and law firms find, listen to, and learn from data when they face complex, data-intensive investigations and litigation. With an earned reputation for mobilising industry-leading computer forensics, eDiscovery, and attorney document review experts, HaystackID's Forensics First, Early Case Insight, and ReviewRight services accelerate and deliver quality outcomes at a fair and predictable price.

HaystackID serves more than 500 of the world's leading corporations and law firms from North American and European locations. Their combination of expertise and technical excellence coupled with a culture of white glove customer service makes them the alternative legal services provider that is big enough to matter but small enough to care.

### Services:

With an extensive portfolio of services customised for client specific needs, HaystackID helps clients achieve quality outcomes at a fair and predictable price through the use of Forensics First, Early Case Insight, and ReviewRight Services.

Forensics First Services help clients find data during investigations and litigation.

- Computer Forensic Collections and Analysis
- Computer Forensic Expert Witness Testimony
- ESI Identification, Collection and Preservation
- ESI Triage Services
- Data Discovery Consulting and Management (Compliance, Information Governance, Computer Forensics)

Early Case Insight Services help clients listen to data to gain insight for data and legal discovery decisions.

- ESI Ingestion and Processing
- ESI Assessment and Analytics

### Key Clients:

Having passed the most stringent security audits, HaystackID does not share the names of its clients, but is trusted by many of the world's largest insurance, financial services, pharmaceutical, energy and other companies. The client list of HaystackID includes *Fortune* 250 companies and top firms of the *Am Law* 100.

### Recent Highlights:

HaystackID is committed to supporting clients during audits, investigations, and litigation with industry-leading computer forensics, eDiscovery, and attorney document review experts, trained and proficient in the use of advanced technologies to accelerate and deliver positive outcomes. The firm's participation and performance in industry certification programs, as demonstrated through the achievement of industry-acknowledged and valued Relativity, Brainspace, and Nuix certifications, is but one of many reasons customers choose HaystackID when faced with complex, data-intensive investigations and litigation.

- Relativity Certifications - 76
- Brainspace Certifications - 37
- Nuix Certifications - 12

Additionally, HaystackID is regularly identified as a top eDiscovery services provider as voted by legal professionals in *ALM* magazines national 'Best Of' surveys.
