## About HaystackID

HaystackID™ is a specialized eDiscovery services firm that helps corporations and law firms securely find, understand and learn from data when facing complex, data-intensive investigations and litigation. HaystackID mobilizes industry-leading computer forensics, eDiscovery, and attorney document review experts to serve more than 500 of the world's leading corporations and law firms in North America and Europe. Serving nearly half of the Fortune 100, HaystackID is an alternative legal services provider that combines expertise and technical excellence with a culture of white-glove customer service. The company was recently named a worldwide leader in eDiscovery services by IDC MarketScape and was included as a representative provider in Gartner's Market Guide for E-Discovery Solutions. For more information about its suite of services, including programs and solutions for unique legal enterprise needs, go to [HaystackID.com](https://HaystackID.com).
