nSight[®] Discovery Management Program

An Overview of HaystackID's Enterprise Managed Solutions nSight Program

HAYSTACK[™]

nSight® Discovery Management Program

nSight Power BI dashboard and Relativity award winning reporting tool, works across multiple Relativity instances and national jurisdictions. nSight allows comprehensive management of the legal data portfolio by giving clients information they need at their fingertips.

HaystackID's nSight reporting portal is a secure, web-based dashboard that provides clients with the ability to monitor their entire portfolio of cases in real time.

nSight is accessed via secure web connection and navigation to important metrics is easy using nSight's intuitive interface. Dashboards are available to all corporate and law firm clients. Specialized dashboard customizations are available. Clients can also access aggregate information across their portfolio of matters to better manage discovery management program costs. Highlights of the nSight program include:

- Processing and Hosting Metrics
- Custodian Lists
- Media Tracking
- Review Statistics
- Current Tasks
- Production Status

About HaystackID

HaystackID™ is a specialized eDiscovery services firm that helps corporations and law firms securely find, understand, and learn from data when facing complex, data-intensive investigations and litigation. HaystackID mobilizes industry-leading cyber discovery services, enterprise managed solutions, and legal discovery offerings to serve more than 500 of the world's leading corporations and law firms in North America and Europe. Serving nearly half of the Fortune 100, HaystackID is an alternative cyber and legal services provider that combines expertise and technical excellence with a culture of white-glove customer service. In addition to consistently being ranked by Chambers, the company was recently named a worldwide leader in eDiscovery services by IDC MarketScape and a representative vendor in the 2021 Gartner Market Guide for E-Discovery Solutions. For more information about its suite of services, including programs and solutions for unique legal enterprise needs, go to HaystackID.com.
