HaystackID® is privileged to partner with and support
The Government Investigations & Civil Litigation Institute
for its Ninth Annual Meeting.

In today's rapidly accelerating age of AI, HaystackID is committed to engaging in rational discussion and the subsequent development of enhanced toolsets to address the complex challenges we face as a legal community. Our promise to you is an undying dedication to research and deployment of technology in a responsible and thoughtful methodology to solve your biggest challenges. We offer a measured approach to complex decisions in an intricate data landscape.

"Artificial Intelligence is not a substitute for human intelligence; it is a tool to amplify human creativity and ingenuity."

— **Fei-Fei Li**, Stanford University

"At HaystackID, our long-standing focus on AI and, more recently, large language models creates flexible and creative outcomes through advanced technology deployment coupled with practicality. We recognize AI's potential to impact legal data sets and guide solutions uniquely. Our commitment sets an industry benchmark, emphasizing innovation and integrity. Trust and partnership are central to our success and at the core of our roadmap."
